Believe.

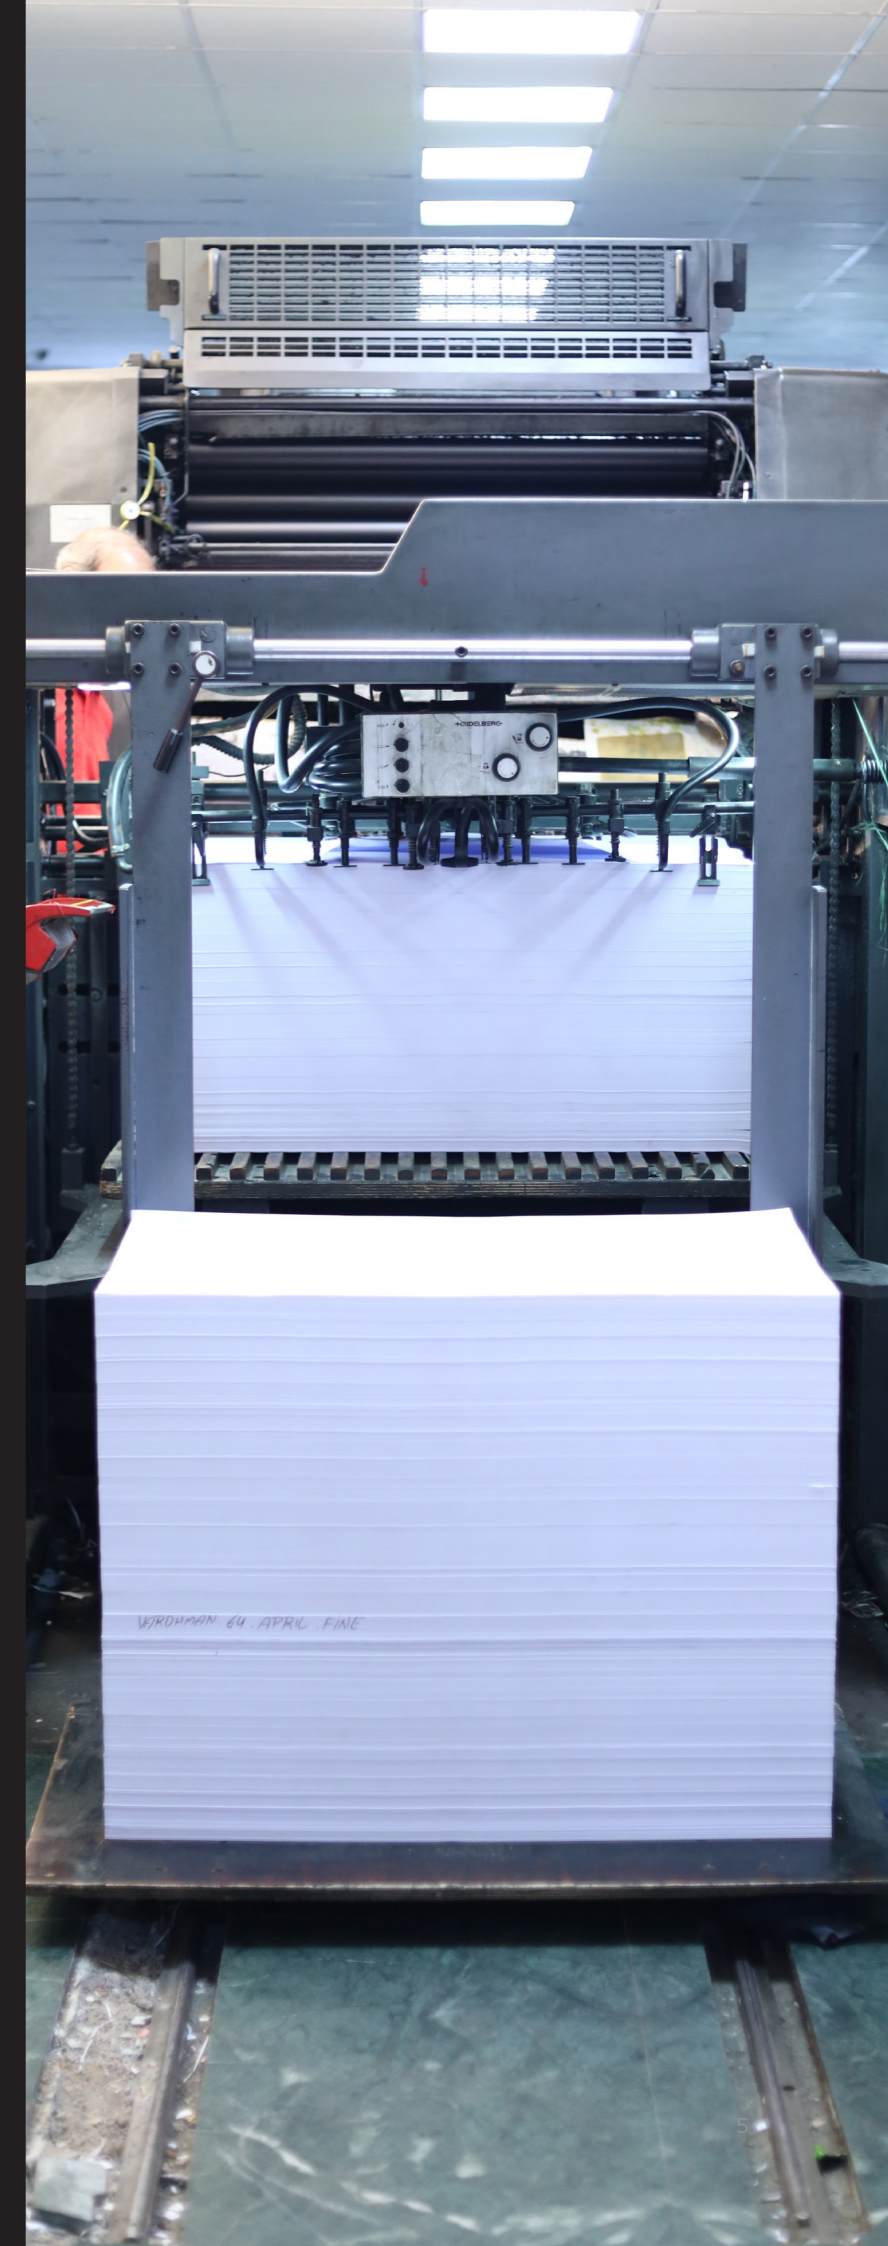

The possibilities are Endless.

Benchmark for perfect Printing culture

SK OFFSET is reputed for its quality, meticulousness and workmanship. We make it our business to translate your imagination into lasting impressions, executed beautifully and to minute perfection. We are committed to parameters of efficiency, price effectiveness and client relationships that help us to stand as a distinct unit.

In the changing times SK OFFSET has been proactive in adopting and assimilating requisite changes to enhance its expertise. The convenience of our clients, timely deliveries and the moral imperatives that we observe ensure that the tradition that we built lives on ...

A NOTE FROM THE CHAIRMAN AND MENTOR

In the last five decades, SK Group has come a long way. We see our present success as only the start to newer, bolder and brighter initiatives. This is an affirmation that as we continue to grow, we add to the growth of our society, to our country.

Our teams at SK Offset, Pixel Print & Pack & Balaji Binding - are motivated to set new benchmarks across multiple industries through improvisation and innovation. The world we live in is rapidly evolving and at SK we are prepared to meet every challenge head on.

ABOUT US

PREMIUM PRINTING CATERED TO YOUR NEEDS

SK Offset (P) Ltd. provides single source solutions to meet your most challenging publication, printing & packaging, and labeling service needs. A team of innovative professionals is always prepared to work from the conceptualization stage to completion, turning the customer's packaging visions into a reality.

We, at SK OFFSET have been consistently delivering exceptional print solutions, since 1975. We are Printer by blood.

PRINTING IS AN ART

A Printing Company You Can Trust

SK OFFSET believes that printing is more than a mechanical process; it is an art of reproducing a multitude of emotions and experiences that texts and pictures wish to communicate.

If You Can Dream It - We Can Print It!

SK OFFSET believes that printing is more than a mechanical process; it is an art of reproducing a multitude of emotions and experiences that texts and pictures wish to communicate.

QUALITY

Quality Control

The very reason for investing in expensive latest technology and hiring expert team is that we aim to generate superior printing and packaging solutions that go with the international quality standards.

Quality Policy

SK Offset is very strict with the quality of products. Every single piece is checked of QC and then processed further to packaging.

Quality Assurance

We at SK Offset, Meerut commit to consistently meet our customer's quality expectations for the product and service.

TEAM SK

Team Work

Working in sync with each other helps us in achieving our objectives faster. At SK Offset (P) Ltd. we encourage healthy interaction with clients that fuels brilliance in end results. We understand that together we can achieve more than what we can achieve singularly. Hence team work is one of our core values.

A dedicated team

Our biggest asset is our team that is committed to ensure we fulfill our customer's needs. We invest a lot of time and efforts in training our people and the result is a qualified and skilled team, that works towards delivering the right product, on time.
